

We send you a crate. You fill it up and send it back. We send you a check.

Step 1

- Request as many crates as you need
- We include packing materials
- Crates are shipped using common carrier

Step 2

- Pack items with the provided materials
- Load heavier items first, fragile items last

Step 3

- Use stretch wrap to bundle two crates
- Shipping two crates as one saves on shipping costs

Step 4

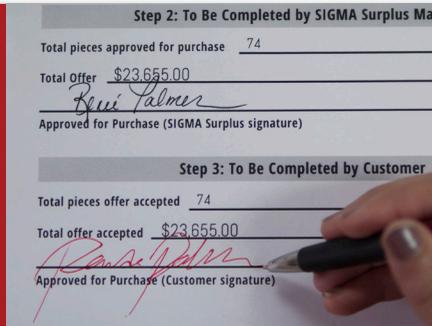

- Let us know when you send the crate back
- We receive the crate at SIGMA

Step 5

- SIGMA documents each item you send
- We determine quality to assess value

Step 6

- We make you an itemized offer
- You may accept a full or partial offer
- You may pay to ship remaining items back to your location
